

The Science Of Human Development

LIVING YOUR LIFE MAP

*You know who you are and why you are here.
You also brought a life toolkit with you.*

Remember?

*Living and loving your highest purpose every minute of
every day is the only REAL question.*

The course is based on the principle that all human beings are on
INDIVIDUAL spirals of growth and development. This evolvment process
has been empirically measured by a team of researchers and is graphically
represented in a multicoloured spiral which displays the levels of
development.

Each level of development has its own characteristics and is reflected in recognisable patterns
of human behaviour. Linked to each level is an agenda for a person's life – goals to achieve
and lessons to be learnt. Each person has also selected a package of personality traits to
assist him/her in this life's assignments and the lessons that need to be learnt.

Gear Changers uses its own uniquely developed Quinti-Spiral Technology to bring together
each person's unique package of spiralling attributes.

Read more about the Quinti-Spiral Technology from the pointers on the home page.

Scientific research has shown that

SOCIETIES

consist of groups of people sharing similar / varying

VALUE SYSTEMS

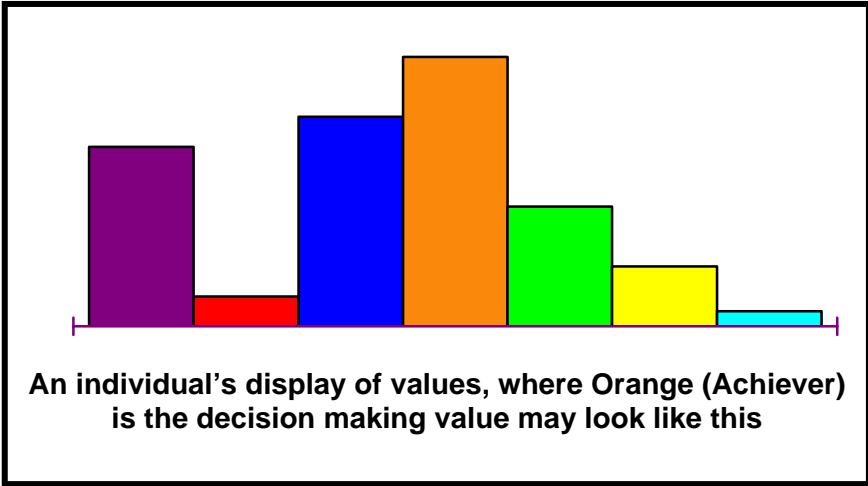

As indicated by the Spiral of Human Development:

Traditional, Group Consensus, Ritualistic	Individual Power, Might Makes Right	Discipline, Truth, Honour, Justice	Achiever, Ambition, Success, Entrepreneur	People & Earth Concern, Harmony, Crusader For Causes	Visionary, Integrated Systems, Lateral Thinker	Holistic Energy, Universal Understanding
Purple values	Red values	Blue values	Orange values	Green values	Yellow values	Turquoise values

All The Values Of Society As Displayed In The Spiral Are Also Represented In individuals, Communities And Families As Observable Behaviour Patterns
Living in harmony with self and others means understanding how your own value system works and seeing it as an integrated part of the oneness of creation in order to accelerate personal growth

You Are A Unique Composite Of The Value Spiral

Each aspect of your life map is on its own spiral of evolvment and choice making, whilst also simultaneously integrated with all the other spiralling aspects. Your soul wisdom and cellular memory is integrated in your auric field and DNA. This causes the law of magnetic energy attraction to function in bringing you the life experiences in accordance with the energetic choices you make in thought. word and action.

OUR INTERACTION WITH THE WORLD

YOUR SOUL CONTRACTS

**You are the vibrational writer of the script
